STAT

Special Assistant for Nuclear Proliferation
Intelligence

SUBJECT:

IIM on Foreign Reactions to US Nonproliferation
Policy--Appreciation for Work on Draft and
Coordination

Thank you for your work on the subject IIM. Your broad and expert perspective on the complex issues involved, and your ability to deal analytically with them, proved to be just right for what turned out to be what I believe is a very good paper--an important and timely contribution to the prospective review of US policies.

Excellent job, Pat!
